Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

Three main sewer lines on our campus are the old orange berg. In 2011 we had a section of the line collapse that we had to replace. We also had a blockage in one of the lines which lead to us adding clean outs. We would like to have these lines replaced before we start having major problems throughout the campus.
